Dr Pranav Pandya (MD) is the head of the global organisation All World Gayatri Pariwar based in Shanti Kunj, Haridwar, India. This organisation is dedicated to exploring the scientific basis of spirituality and motivating individuals to becoming model citizens. Dr Pandya heads research into science and spirituality and has had papers published on many aspects of this topic, such as the healing powers of yagya (a sacred fire). He is also the Chancellor of Dev Sanskriti University in Haridwar, where students can undertake advanced courses in numerous subjects including yoga.

“The Clinical Benefits of Yoga" will discuss specifically how the daily practise of yoga can be a useful treatment adjunct in helping heal various ailments.

Dr Pandya will share experiences from yoga practitioners in how practising yoga has helped them.
