The Centre for International Mental Health, School of Population Health, will be holding seminars on a regular basis with guest speakers from Australia and abroad on current issues and research in the area of international mental health.

Seminar Topic: Developments in mental health in Cambodia

Guest Speaker: Dr Chhit Sophal
Deputy Director, National Mental Health Program, Ministry of Health, Kingdom of Cambodia

Time & Location:
Tuesday 25 July, 12.45 – 1.45 pm
Room 515, 207 Bouverie St, Carlton

Dr Chhit Sophal is Deputy-Director, National Mental Health Program, Cambodia, and Chief of the Provincial Health Promotion Section, Battambang Department of Health.

Dr Sophal will provide an overview of Cambodia’s mental health service development and provide an overview of the National Mental Health Program.

Dr Sophal is a University of Melbourne graduate, having completed the Master of International Mental Health in 2003.
