The Centre for International Mental Health, University of Melbourne, in association with the Victorian Transcultural psychiatry Unit, Mental Health in Multicultural Victoria and Mental Health in Multicultural Australia, is pleased to present a public lecture and two one-day workshops by the world’s foremost transcultural psychiatrist, Laurence Kirmayer.

Laurence J. Kirmayer, M.D. is James McGill Professor and Director of the Division of Social and Transcultural Psychiatry in the Department of Psychiatry, McGill University. He is Editor-in-Chief of *Transcultural Psychiatry*. He directs the Culture & Mental Health Research Unit at the Institute of Community and Family Psychiatry, Jewish General Hospital in Montreal, and directs the annual Summer Program and Advanced Study Institute in Cultural Psychiatry at McGill. Current projects include: culturally based, family centered mental health promotion for Aboriginal youth; development of a web-based multicultural mental health resource centre; and the use of the cultural formulation in cultural consultation. He has received a CIHR senior investigator award, a presidential commendation for dedication in advancing cultural psychiatry from the Canadian Psychiatric Association, and both the Creative Scholarship and Lifetime Achievement Awards from the Society for the Study of Psychiatry and Culture.
